

Obituary

Nona Gail Gregor Hunt, age 80, passed away peacefully early Saturday morning, June 14, 2025 in Puyallup, WA. She was born September 2, 1944 in Aberdeen, WA; daughter of the late Henry and Vera Gregor of the Wishkah Valley. Nona attended Hoquiam High School and graduated from Wishkah Valley School in 1962. Nona was preceded in death by her husband Stephen William Hunt and stepson, Tracy Harwood.

Nona left behind her children, Bobbi (Joseph) Marcy, Tony (Paula) Parker, Lori (Larry) Holman, Trent (Kristi) Harwood and Denise (Kent) McCahey; 9 grandchildren and numerous great grandchildren. She also is survived by a sister Judi Carter and brother Ralph Gregor.

She had an extensive career as a Real Estate Broker, beginning her career in 1975 in Grays Harbor County before moving to Puyallup in 1981 and purchasing a Century 21 Real Estate Office. She later sold this business but continued to work in Real Estate at the Prudential Contact Corporation where a work family was born. She and Steve worked hard and played hard while building lasting friendships filled with love. In 2006, Nona was offered a Designated Broker position at Keller Williams in Puyallup where she became a mentor and dear friend to many. After a long career, she retired in 2018.

Nona was an excellent cook who often hosted dinner parties for family and friends. If you were invited, you didn't miss it! Food was also a key component when traveling with her friends and family. She vacationed with each of her kids' families, individually, fostering deeper, loving memories and bonds with her grandchildren. Her face would light up when speaking of office picnics, houseboat lake trips, golfing trips, cruising, and traveling Europe with friends and family. As evidenced by her big, beautiful smile and laughter, these memories brought her great joy. Perhaps we will hear some of these epic tales from her friends and family today.

In Loving Memory

Nona Gail Gregor Hunt
