

1-9-2016 - THE DAILY WORLD

Brian D. Bednarik

Brian David Bednarik went to bed with the Lord on Jan. 4, 2016. He was 31 years old and loved by all who knew him. Brian was born Oct. 16, 1984. He lived out the Wishkah Valley in his younger years and attended Aberdeen Schools, graduating from Aberdeen High School in 2003. While in high school he was an outstanding athlete, excelling in football where he was voted Team MVP and All League Player.

Following high school, Brian attended the University of Washington, graduating in 2008 with degrees in Political Science and Economics as well as a certificate in European Studies.

After graduating from college Brian lived in Seattle for two years and worked as a broker. He then decided to return to the Harbor to be closer to his family and friends. During this time, he helped coach football at Miller Junior High while starting a new job at Timberland Bank. It was then that he met his future wife, Whitney, and fell in love with her. The couple was married May 10, 2013.

Brian was known for his contagious smile and love for people. He also loved Husky football and he and Whitney had season tickets to all the games. He also tried to spend as much time as he could with his family.

Brian is survived by his wife, Whitney, daughter Rylee, unborn son yet to be named (in Feb.), sister Dana, mother Debbie and too many other family members to mention.

A Celebration of Life will be held Saturday, Jan. 16, at 11:30 a.m. at The Four Square Church in Central Park. In lieu of flowers, the family requests that remembrances be made to an account at Twin Star Credit Union for the benefit of his children in attending college.
