

Success

To Laugh often and much;
To win the respect of intelligent
People and affection of children;
To earn the appreciation of honest critics
And endure the betrayal of false friends;
To appreciate beauty, to find the best in others;
To leave the world a bit better, whether by a healthy
Child, a garden patch or a redeemed social condition;
To know even one life has breathed easier
Because you have lived. This is
To have succeeded.
