Michael John Cooper passed away at the age f 60 on Jan. 12, 2016. Mike resided in Aberdeen, Wash, with his wife Tami, and passed away after a long battle with cancer at St. Peter's Hosp. in Olympia.

He is survived by his wife Tami, his sisters, Rebecca Cooper and Karen Pugh, and his children Shawn, Jami, Zach and Steven.

Mike was passionately dedicated to his relationship with God and enjoyed teaching those around him about scripture and helping those in need.

His other favorite pastimes were fishing and cooking. He spent many hours enjoying the peacefulness of nature with his coffee in one hand and his fishing pole in the other patiently waiting to "rip that fish's stinking lips off". When he caught the big one, he'd make the perfect smoked salmon and partner it with his smoked cheese.

He will be greatly missed by his friends and family.
