MISS ME - LET ME GO

When I come at last to the end of the road  
And the sun has set for me  
I want no rites in a gloom-filled room  
Why cry for a soul set free?

Miss me a little, but not too long  
And not with your head bowed low

Remember the love that we have shared  
Miss me -- but let me go.

For this is a journey we all must take  
And each must go alone  
It's all a part of the master plan  
A step on the road to home.

When you are lonely and sick at heart  
Go to the hills we know  
And bury your sorrow among the trees  
Miss me -- but let me go.
