Dear Carol,

Received your check for \$85.00; to pay in full for internment of Elaine's URN on June 10, 2023, scheduled for graveside services at 1:00 at St. Johns Cemetery, Wishkah Valley. Thank you for handling it so promptly.

I called Darlene last week to remind her that the plot is not paid for in full, there is still \$50.00 owing on it. She said she would pass that information on to you. The plots are \$250.00 each and Darlene paid \$200.00 in cash the day they arranged for their plots.

I am passing this information onto you, in case, Darlene wasn't able to. St. John's needs to have the plot paid in full before internment can take place.

Sincerely,

Kay Busz
